From the Chairman:

Welcome to the Loxton Chamber of Commerce year of 2009

January I find is a month of reflection – for the year gone and the year ahead. If we look at the 2008 chamber of commerce year we can feel satisfied that Loxton and Loxton businesses were given great exposure through the media. Each time I see a Loxton Means Business TVC it gives me pride in our town and businesses and satisfaction that we are spreading our message in a professional and unique way.

The chamber of course is not only about marketing. We are a representative group of businesses – that means you. It is imperative that we have informative and meaningful communication with other community groups and the Loxton Waikerie Council. This communication will continue in 2009 and with the proposed changes to the way meetings are scheduled, I anticipate there to be more organisational information sharing opportunities as guest speakers, business educators, community and business people will be invited to participate in these general meetings. The meetings will be packed full of helpful and interesting information.

And with all the doom and gloom forecasts, we need to continue to stay united, informed and educated.

Make it a priority in 2009 to contribute to the success of your Loxton Chamber of Commerce.

**Next Meeting: Special General meeting and General meeting
