Christmas Lights Committee Raffle

Representatives from the Christmas Lights committee will be visiting businesses in the next week to seek a donation from your business for their major raffle. They are very appreciative of the support they receive from the business community each year and look forward to a positive response again this year. The funds from the raffle are used to pay for the hardware needed for the many, many decorations they make each year. The volunteer group do a great job, and it is a fantastic drawcard to our Town in December.

Penny Smith Community Development Officer

Come and meet Penny at the next meeting as the new Community Development Officer for the District Council Loxton Waikerie. Penny will speak about her role and how she can assist the business community.

Main Street Parking

This issue has again raised its ugly head. The parks in our street, in front of our businesses, are for our customers. It has been mentioned at a Council meeting that there seems to still be business owners and employees who continually park all day in East Terrace. The Council have touched on the idea of introducing timed parking (again) but do not want to go down that path. We as business owners, don't want restrictions put on our customers. Please take some time to ensure your employees are not parking in the main street. If you are aware of owners or employees from another business parking where they shouldn't, please diplomatically mention something to them.

Agenda Items

Meet Penny Smith, Community Development Officer

Trading Times for Christmas Trade will be decided upon.
Think about what Sunday trades we have and do we have a late night shopping at all

New Gold Member promotion

**Come along and make your Chamber of
Commerce vibrant by your attendance**

Next Meeting: 1st September, 2008, 7.30 pm at the Loxton Hotel
